## Message from the Headteacher

## Important Dates to note...

Dear Parents,

This week has been actioned packed. We were delighted to welcome NYMO youth ministry on Monday for a Year 5/6 Lenten reflection day. It was a wonderful day, the children were very responsive and they were impressed by their knowledge. As part of Science week we have had a variety of visitors and activities taking place. We have sought to create both enthusiasm and curiosity for the world around them. As tomorrow is St Patrick's Day children can wear green for a donation to our Lenten charities. Cake donations welcome please for tomorrow as we continue with our Cake sales.

Have an enjoyable weekend

Mrs K. Yuen

This week we welcomed back Atomic Tom who launched our Science week with a big bang assembly. This was followed by class workshops. On Wednesday we welcomed Bailey and his owner Anthea from The Dogs Trust. Each class had a workshop on senses. This included Dog senses and how they differ from ours. The children also enjoyed a theatre show by Quantum Theatre "Bin Raiders" which focused on recycling and protecting the environment. Ask your child all about their experiences this week.
