Important Dates to note...

Dear Parents,

A shorter week this week but no less busy. The children have been enjoying their learning. It has been wonderful seeing them in their classes showing such enthusiasm. Please note the date for class photos has been added to the diary and is on 16th May. Next week our year 6 children will be sitting their SATS examinations. They have all been working so hard both in readiness and preparation. We are so proud of them and it is important to note that the SATs are only a part of the story. The children are a real credit to you and we wish them well. Please keep them all in your prayers.

Have an enjoyable weekend

Mrs K. Yuen

Pokemon Cards

The children have been told that they are to leave their cards at home and not bring them into school. We do not want children to be upset when cards are lost or swapped. They are expensive and should be kept safely at home. Thank you for your support with this.
