

## Fisherman Class Forest School

Fisherman Class have had a wonderful term of Forest School sessions, run by our lovely leader Fiona from Everdon. During the sessions the children have learnt about habitats, bug hunting, bird watching, tree classification, natural arts and crafts and had the joy of swinging in the outdoor hammock! The children also gained vital outdoor skills such as

fire lighting, den building and team work. The sessions ended with an amazing campfire, during which we drank hot chocolate and cooked marshmallows and popcorn on the campfire.
