

# House of St Teresa Christingle

WOW!

First we learnt the history of the Christingle and the symbolism behind each of its elements

- ◆ The candle reminds us that Jesus is the light of the world
- ◆ Each of the sticks represents the 4 seasons
- ◆ The sweets or dried fruit represent gifts from God
- ◆ The orange represents the world
- ◆ The ribbon represents God's never ending love and is coloured red to represent the blood of Jesus

The children then had the opportunity to make their own Christingle to take home.

**Great job St Teresa!**
