Message from the Headteacher

Important Dates to note...

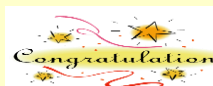

Dear Parents,

It's been another busy week at St Mary's. Juniper Class had a day's workshop with Anglia Water. This was part of their topic "Source to sea". The children shared with us in assembly, lots of interesting facts including: *if you leave the tap running while brushing teeth for 2 mins, you waste 12 litres of water.* You may now notice a change in habits at home!

The trim trail installation is going well. It is still not yet complete but can see the structure taking shape.

Today we found out the wonderful news that Mrs Morgan has a new baby son. Born this morning and both mother and child are doing well

Have an enjoyable weekend
Mrs K. Yuen
