

Pupil Premium 2017-18 Impact Statement

During this academic year we had 85 pupils on roll of which 4 children were in receipt of Pupil Premium.

Due to the small numbers benefitting from this support, year groups have not been identified. This is to avoid a child being easily identified.

One child made good progress in writing and writing and is working towards expected in this area with Expected standard being reached in Mathematics.

One child made good progress in Maths and is working at expected in all areas.

Two children made excellent progress, achieving age-related expectations in all areas with some areas of learning being exceeding.
