Carpenters class enjoyed taking part in all the World Book Day activities and loved hearing some new stories.

In the UK, nearly 1,000,000 children don't have a book of their own (National Literacy Trust).

World Book Day® changes lives through a love of books and shared reading. We believe that having access to books and developing a love of reading for pleasure is vital for a child's future and we want to bring the magic of books to children and young people everywhere.
