

Wow!

Police Visit for our topic on Crime and Punishment

The children in Carpenters Class have been learning about Crime and Punishment throughout history. We started our learning journey in the Roman times and covered the following periods:

- Anglo-Saxon crimes and punishments
- Crimes and punishments in Tudor times
- Highwaymen
- Victorian prisons
- Modern crimes and punishments

PC Vale came in to school to answer the questions that we had prepared about modern policing and modern crime and punishment.

We learnt about the equipment that police officers carry today.

We learnt about the modern judicial system.
