Message from the Headteacher ...

Important dates to note...

Dear Parents,

The children in Shepherds Class were very disappointed on Tuesday when the trip had to be postponed. We are however all set for Tuesday next week! The permission slips and forms completed will be used as permission for the trip on Tuesday 19th March. Please contact the school office if you need to make any changes.

Mrs King has uploaded the permission for the TAG Rugby event in Banbury on Friday 22nd March. The team were very excited to have secured enough tickets to this free event and that the children will be treated to a Michelin star chef cooking the BBQ food and will be given an opportunity to meet Jason Robinson. Please note that the whole of KS2 will be attending including teaching staff.

The children as always were brilliant during our assessment week. The teachers will be using the information to form part of their decisions on your child's levels in the key areas of learning. The interim reports for Carpenters and Fishermen Classes will go out before the Easter break and the reports for Shepherds after the break due to writing moderation. As always we are excited to invite parents in on Wednesday 27th March for a 'Book Look' session so the children can show you their learning.

Have a lovely weekend,
Laura Concannon

Dear Heavenly Father,
We pray for our school and community.
We ask that people put others needs before their own and that people treat others how they want to be treated.
Father we pray that the people of our community are humble just as it says in Romans (12:16):
- Live in harmony with one another. Do not be haughty but associate with the lowly. Never be wise in your own sight.

I am always amazed by the quality of work the children are able to produce in our school. This piece was outstanding and received a head teachers award, well done AK!

We are fundraising to raise money for a new roof for our school.

The school is the oldest in the diocese of Northampton. The current pitched roof is over 100 years old and now needs replacing.
Please donate if you can.

We have a GoFundMe link to receive donations or please contact the school office for other ways of donating.

As always, your support is very much appreciated.
