Mon-Fri: Rising Stars

Book on ParentPay

Dear Parents,

Headteacher's Message

The children had a great practice on Tuesday in preparation for the Coronation cup event today. Gates open at 1:15pm and we are selling cakes with refreshments to fund raise for the Royal British Legion.

The children in Year 6 have been preparing to undertake the statutory assessments next week. As I said in my letter to pupils and parents I want to remind everyone that SATS are just one part of your child's educational journey. While they do provide valuable information about how our pupils are progressing, they do not define who they are or their potential. It's crucial that we keep a balanced perspective throughout this coming week, and I urge you to talk to your children about this.

I have attached the Mental Health awareness week letter to the email and covered the main points below. Please complete the Parent Pay permission for taking part in the tiny pets session.

Have a lovely weekend,

Mrs L Concannon

Catholic Schools update:

St Mary's is proud to be a part of the 2,155 Catholic Schools in England and Wales. Overall catholic schools last year outperformed the national average GCSE and SATS results in English and Math's.

SATS Week

The children in Year 6 will be completing the following Statutory assessments week beginning Monday 12th May. The children can arrive from 8am via the Rising Stars Gate and then join Mrs Concannon in the school hall for a second breakfast.

Monday: Grammar and Punctuation Paper 1 and 2.

Tuesday: Reading Comprehension Paper

Wednesday: Maths Paper 1 and 2

Thursday: Maths Paper 3.

Mental Health Awareness Week

We are writing to let you know that St. Mary's Catholic Primary School is taking part in the Mental Health Foundation Mental Health Week 12th-18th May 2025.

As part of the week the school will be running a range of activities including regular active breaks, mental health awareness lessons and holding a 'Wear it Green' day. Your child is invited to wear green to school on Friday 16th May 2025.

In addition to this we have arranged for 'Lucia's Tiny Farm' to visit our school. This is a wonderful opportunity for the children to spend time with a variety of small animals and connect with others from our local community. Spending time with animals can significantly improve mental health by reducing stress and anxiety and improve mood. If you would rather your child did not handle any of the animals then please complete on Parent Pay. The session will take place on Monday 19th May 2025.

The green ribbon is the international symbol of mental health awareness and green ribbon badges will be on sale in school from Monday 12th May. By purchasing a green ribbon badge for £1 or by going green for the day on Friday 16th May, it opens up the conversation about mental health.
