Dear Parents,

Headteacher's Message

SATS week complete! A big well done to all our year 6 children, we couldn't be prouder of your approach to the tests this week.

This week the school has been celebrating mental health awareness week. The young leaders have been selling pin badges and wrist bands to raise money for The Mental Health Foundation. Children are also invited to 'Wear it green' on Friday and to donate to the cause. Next week the school has invited in Lucia's Tiny Farm for the children to experience the use of therapy animals, please give permission on Parent Pay for the experience.

The Coronation Cup as always was a great event. The school raised £58 through the sale of refreshments. This will be donated to the Royal British Legion. Thank you Arthur for playing the Last Post and leading us in our 2 minute silence to mark VE Day. Congratulations to England for winning the Coronation Cup!

We have many exciting trips and events to look forward to including; The inclusive Sport event, Year 5/6 2026 residential, Cotswold Farm Park, Coombe Abbey Go Ape, Tigers, Clip and Climb, Cricket and the next cinema visit! Please check Parent Pay regularly for important updates.

Have a lovely weekend,

Mrs L Concannon

Value Focus: Courage

BE STRONG AND
COURAGEOUS.
DO NOT BE AFRAID;
THE LORD YOUR GOD
WILL BE WITH YOU
WHEREVER YOU GO.

The Coronation Cup Winners!

Carpenters- Mrs Morgan

The children in Year 3 and 4 have completed another class read. To celebrate the children will be given the opportunity to watch an adaptation of the text. If you would rather your child was not part of this session please let the office know.

Thursday 22nd May- Roald Dahls

'The Fantastic Mr. Fox' PG

Year 6 Ten:Ten Summer 2

As you may know, our school has introduced this RSHE (Relationships, Sex and Health Education) scheme, aimed at guiding our children through important topics in an age-appropriate way. Over the course of these sessions, your child will cover various themes, including body changes, the process of making a baby, and the impact of spots and sleep on their health. These discussions are tailored to empower our students with knowledge and understanding as they approach this significant stage in their lives. Before half term, we will provide a question box in the classroom, where children can anonymously submit any queries they may have regarding these topics. Rest assured that all questions will be addressed thoughtfully during the sessions. The TEN:TEN sessions will take place on Thursday afternoons throughout the Summer 2 term. We believe that open and honest communication about these subjects is vital for our children's personal development, and we encourage you to engage in conversations with them at home as well. For your reference, I have attached links to resources in the letter that offer further information about the content of these sessions. Please feel free to peruse these materials and discuss them with your child.
