Message from the Headteacher

Dear Parents,
The brighter weather has meant we are able to make more use of the field at breaks. This week our Year 5 Sports Leaders have been organising games for the younger children. It has been wonderful seeing them develop their leadership skills as well as being supportive and encouraging in their approach.
Well done year 5!
Have an enjoyable weekend

Best Wishes

Mrs K. Yuen

Happy 90th Birthday to our Queen

The children have been finding out about our Queen and her service to the country. To continue the celebrations on Thursday 9th June we will be having our own party in the playground. On this day the children can, for a donation of £1, come dressed in red white and blue. Please encourage your child to enter the Art Competition. Details are on the flyer sent out this week.

After School Clubs

We still have availability for some of our after school clubs. **However please note programmes are designed for the ages specified.** Any out of year requests need to be discussed with your child's teacher who will assess the viability, in liaison with the provider. We are fortunate to have secured **Atomic Tom's Science Club** again this year. This is specifically for Year 2 upwards and spaces are available – looks like lots of fun!

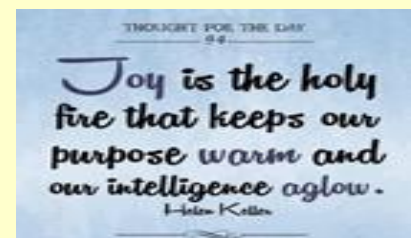

Sports slip returns

Please can we remind parents to complete the sports fixture reply slips as soon as possible.

Website Launch

The website is ready to launch. We are now just waiting for the switch over to take place, which should be within 48hours.
