St Mary's Rising Stars Club provides before and after school activities for children aged 4 – 11 years in a safe, happy environment supervised by experienced staff. The ratio of staff to children is 1 adult to 8 children and all staff are first aid and safeguard trained.

The Staff

We provide a varied programme of activities that includes:

- arts and crafts
- sports
- cookery

The setting

The club will be primarily based in “The Den”, where a quiet area is set aside where children can read, rest or complete their homework. Recreational and educational activities will take place, both inside and outside the building. The club staff, supervise the children at all times during club hours until their parent or carer collects them.

We provide healthy snacks and refreshments in the After School Club, which are included in the session charge. The club runs every day during school term times

Collection and drop off

Before School:

Parents will need to bring their children to enter the club via the Den door external entrance. The staff will supervise the children and send them to their classes on time for registration at 8.50am.

After School:

The staff will have a register of children and will start the session with a quiet gathering ensuring all children are present. Children attending a separate school activity will be collected by staff at the end of their session, if they are to continue with the care facility afterwards.

When children are being collected they will be signed out via the Den Door by a member of the Club Staff. If you arrange for any other person to collect your child the After School Club must be notified in writing.
