

Instead of completing one activity for Children's Mental Health Week the pupils of Carpenter Class took on the Taskmaster Education Challenges over the course of the week. Each day there was a different task set by 'Taskmaster' Alex Horne and a treasure hunt clue for them to complete. For the tasks, the children were split into groups and at the end of each challenge, in true Taskmaster form, points were awarded for the teams' efforts. Each team's points were totalled up over the course of the week, with the winners being announced on Friday afternoon, when the final task and judging was completed.

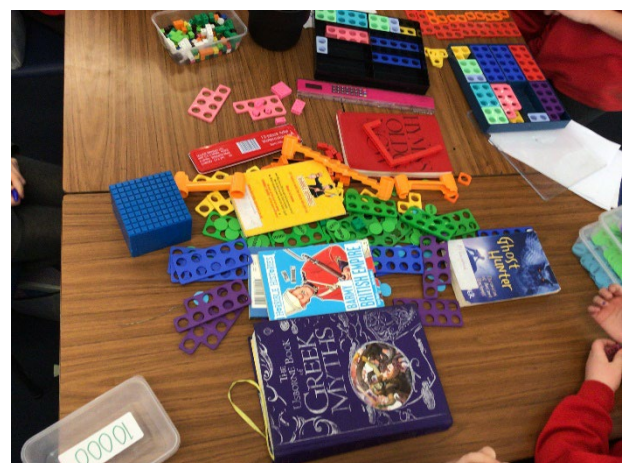

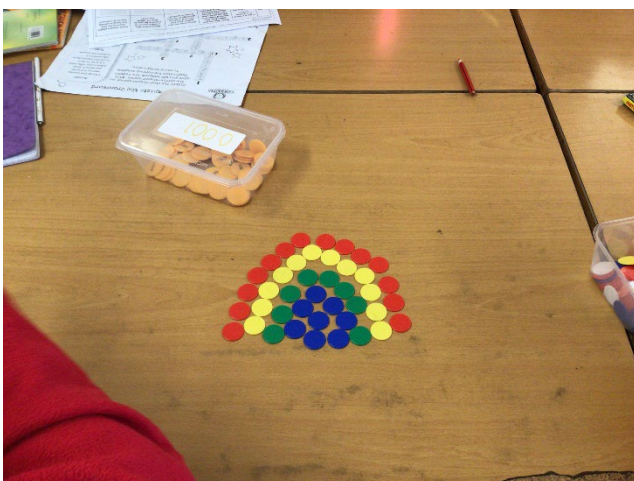

The tasks they had to complete and rules they had to follow were as follows:

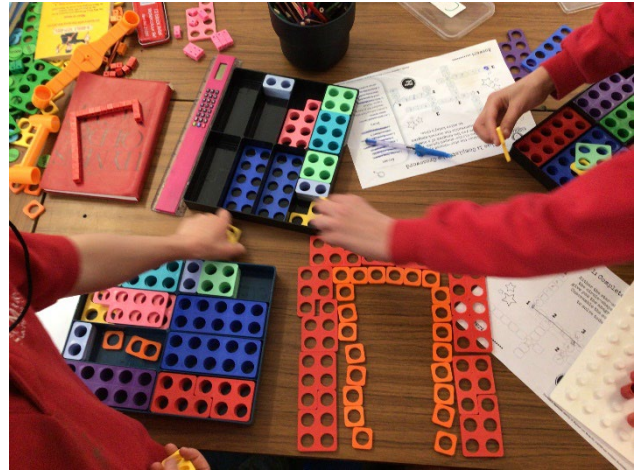

- Monday - Make the best rainbow - best rainbow wins.
- Tuesday - Design a new outdoor game using a maximum of 1 piece of equipment and 3 instructions for play. The team which has the most fun, wins.
- Wednesday - Make the best self-portrait using things you find outside. You have as long as the adult who is showing you this clip decides and that time will begin when that adult says, 'flamingo'.
- Thursday - Choreograph the best dance. So get funky, get down, get back up and get on with it.
- Friday - Make a hat to add to your Dress to Express outfit. Most inspiring hat wins.

The children had lots of fun completing the different tasks and finding the clues to the treasure hunt. Well done to the winning teams - 'Masterminds' and 'Heroic Hawks'.

Make the best rainbow:

Make the best outdoor game:

Make the best self-portrait:

Choreograph the best dance:

Make a hat:

The final scores for the teams were:

Team:	Points:	Position:
Masterminds	19	1st (joint)
Hockey Hawks	14	4th
Heroic Hawks	19	1st (joint)
I Don't Know	18	3rd
Thoughtmasters	10	5th

Well done to all of the children. They all worked hard on all of the tasks and demonstrated some excellent teamwork and cooperation skills. Everyone had a fun time taking part in the activities and it was fantastic to see excellent sportsmanship and children from different teams praising and encouraging each other.
