

Wow!

# Chinese Food Tasting

In Fishermen Class we have been learning all about China in our weekly geography lessons. In this unit the children have learnt about the following:

- Farming in China
- Going to school in China
- Chinese Culture
- Map work- Finding China
- The Great Wall of China

To finish our work on this topic the children learnt how to use chop sticks and tasted Chinese food!

The Great Wall of China!

The children also wrote some fantastic letters to a school in China!
