Goldilocks and the Three Bears: Lesson 1

After break-time on Tuesday, Fishermen Class were shocked to discover that we had been broken into. PC Miggins had identified the evidence and asked the children to use their excellent detective skills to determine who the culprit was. After a careful inspection and class discussion, the children decided that it must have been Goldilocks. They then used some fantastic adjectives to write a Wanted Poster that PC Miggins could use to help track Goldilocks down. Good job Fishermen!

Goldilocks and the Three Bears: Lesson 2

On Wednesday and Thursday, the children worked together in small groups to act out the story of Goldilocks and the Three Bears and perform them to the rest of the class. The children were wonderfully resourceful when creating their scenery and there were some outstanding performances. We had some particularly fantastic crying for Baby Bear! Each group accurately retold the story of Goldilocks, and everyone watched and listened to the performances attentively.
