Lent Term 24 – 15/3/18

Headteacher: Mrs K. Yuen B.Ed. (Hons) M.A. NPQH

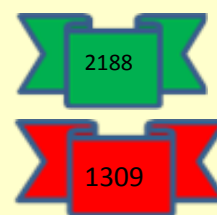

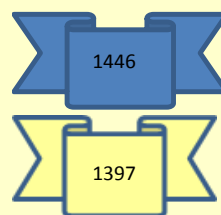

Message from the Headteacher

Dear Parents,
Every week seems busy and full of enrichment, this week we welcomed the Dog's Trust and The Wildlife Trust to our school and today we had a whole School Science challenge. The children worked in houses to create a floating garden based on the floating gardens of Bangladesh. The children demonstrated effective team work and initiative which was wonderful to watch. Thank you for all the best wishes received for Mrs Hammond as she continues to be unwell. We will ensure these are passed onto her. At the end of this term we say farewell to Mrs Vivian who will be taking up a fulltime post in a Warwickshire school. I'm sure you will join us in wishing her well in her new role. On an exciting note I am now able to show you the plans for our new trim trail on the school field. This is something the children have wanted for a long time. Have a good weekend. Mrs Yuen

Science week Activities

More photos will be on the website shortly.

House Point Totals

An exciting new trim Trail planned for installation in the Summer Term

Pupils were asked last July how we could improve St Mary's, most wanted to improve our play facilities. We are now able to do this. Our school Parliament have been looking at designs which helped with the planning of this.

Value Focus for March - Humility

Vacancy for an additional Wrap around Care Assistant

Rising Stars is extremely popular. Do you think you would like to be part of its success? Please contact the office for details or see our website under the Vacancy tab.
