Message from the Headteacher

Important Dates to note...

Dear Parents,

This week we welcomed Atomic Tom once again to St Mary's. The children thoroughly enjoyed the exciting Science investigations and a truly entertaining Science assembly. Ask your child to tell you all about it. On 2nd May, seventeen of our children will be making their Confirmation. This is a special time for our children and families as they mark the next stage in their faith journey. For this evening we are looking for volunteers to help serve refreshments after the ceremony. If you are able to help we would be delighted to hear from you.

As we enter into Holy Week next week all of you are invited to join us on Tuesday for an Easter Reflection- "Here comes Jesus" a retelling of Jesus' last days leading up to Easter as told by Juniper Class.

Have a good weekend .

The children rose to the challenge completing many laps. An extra challenge was to carry a cup full of water for the first lap - and not spilling it. A big well done to everyone! Let's hope we can raise lots of money for our Lenten charities.
