Would you be interested in attending an after school parent English and Math session in school?

Answered: 20 Skipped: 0

Mrs Vale will be running a Phonic session in the Autumn term, which we believe, is crucial for the parents of children in Reception to attend. Mr Causebrook will send home a pack for the children in Year 4 who will be taking the multiples check this year. We also recommend using the White Rose Parent booklets at home; you can work through these with your child.

Would you recommend Kingswood Catering to new parents?

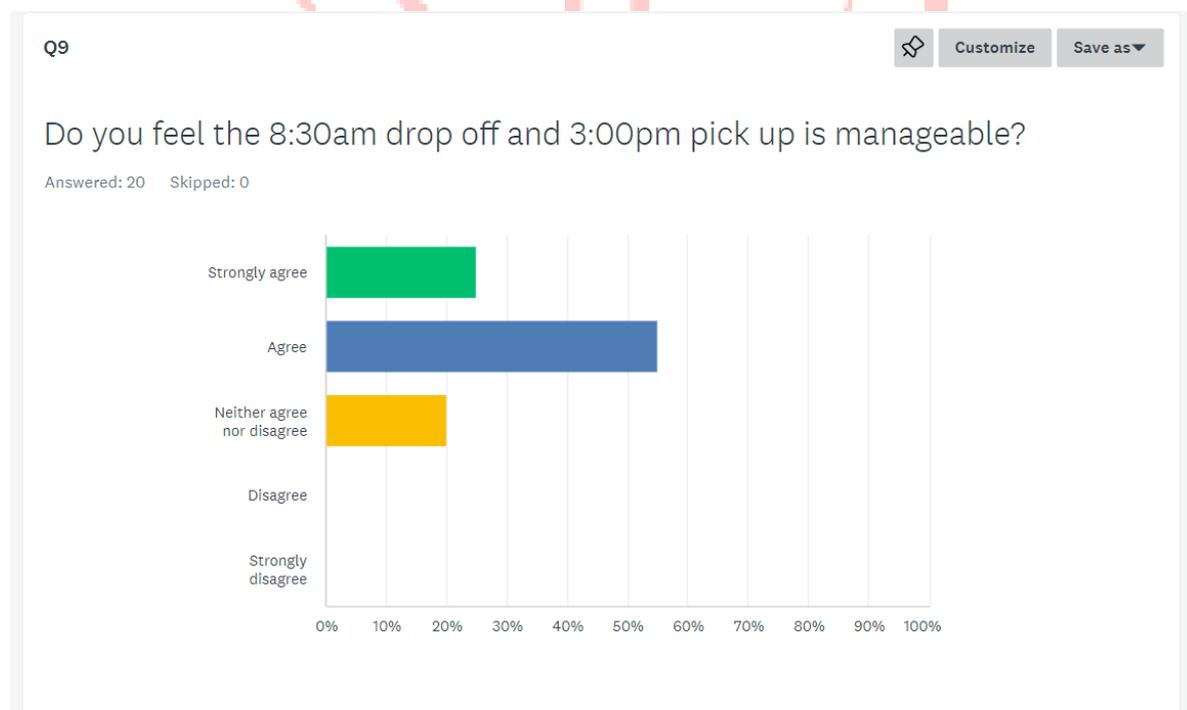

Answered: 20 Skipped: 0

As a school, we have been pleased with the daily options provided by Kingswood Catering. We will of course pass on the results of this question.

Class teachers gave a refresh on the homework expectation for each class during the parent information evening. I am glad that it is agreed that the right level of work is being provided.

The earlier drop off has ensured that all lessons start promptly at 8:45am. We appreciate your support with this.
