

The Month of November

In the month of November we will be thinking of those that have sadly passed away. The faith ambassadors will be leading each class in prayer for those who have passed away. The children will complete a prayer slip which will be shared in church as part of a litany of prayers. If you would like to complete a slip so that we may pray for a friend or family member that has passed away then please return this slip after half term.

Please Pray for...
