*Dear Schools,*

*We appreciate your continued support of Zeno. Due to the rise in cost of materials and fuel we have seen our suppliers increase their prices considerably over the last 12 months. Unfortunately, we will now have to make small price adjustments to our uniform prices from September 2023. This is something we have been holding off for as long as possible as we understand that these are difficult times for everyone. We will also be putting in place a once per term order/delivery of school uniform, unless an urgent request is made e.g. a new child starting mid term. Please see chart below.*

*This was a hard decision to make, as we know the effect it can have on our customers. We thank you for your understanding and support during this change, and as always, we promise to deliver the highest quality products and services possible. If you have any questions, comments, or concerns, please contact us.*

*We thank you for supporting a local business.*

*Sincerely,*

*Phil Lines*
