Trinity Term 2

Head teacher: Mrs L. Concannon

Message from the Headteacher ...

Dear Parents,

We have had an extremely busy week! We all had a lovely day at the Cotswold Wildlife Park and have lots of pictures attached to this email to share with you. The children in St Joseph's had a fantastic experience at the Light in Banbury after they won the reading challenge! We were treated like VIP's and had a private screening of the new Mario film. The children in Farmers and Shepherds Class had a lovely teddy bears picnic at pocket park, please do take a look at the pictures and the video on the gallery link.

The children in Year 6 will be completing the White Rose Bakery unit tomorrow as part of the transition maths unit. We are all very excited and the classroom is ready for the Bake off Challenge!

The governors came in on Monday to review the Little Red Writing Project and as always were very impressed with the standard of work and the behavior of the children. One commented on how the way in which the teacher was able to check on each individual pupil on every task was comparable to private education! We are truly blessed with such an amazing team and fantastic children!

We are still collecting raffle prizes and for the bottle bola!

Kind regards,
Laura Concannon.
