Autumn Term 1

Head teacher: Mrs L. Concannon

Message from the Headteacher ...

Dear Parents,

It was wonderful to see the children back on the playground and enjoying playing with their friends. A very big welcome to our new Reception children and the additional new starters. The children have settled well. Staff training has been updated and interventions including RWINC and lego therapy will begin again next week. As you are aware children will move into different groups for Literacy and Numeracy where needed.

Teachers are busy preparing for the upcoming information session, this year it will be running straight after school on Tuesday next week. Class termly overview letters will go out this week and I have attached electronic copies too.

Cooking and Sewing club have been a great success, please ensure that you book through Parent Pay as Mrs McGinley plans the resources to the number of children booked in.

I have prepared SAFEGUARDING information and Internet safety tips for this newsletter. All children in school will be taught INTERNET safety sessions through Purple Mash, KS2 will take part in a workshop led by the PCSO team and the whole school will take part in the Blue Butterfly assembly led by the local policing team.

Assembly next week will be led by the Year 6 children who have been encouraged to step forward for Head Boy and Head Girl. They will have to read a speech to all the children then Shepherds class will be asked to vote. School Parliament, Eco Council and Faith Ambassadors will also be selected for each class and announced in celebration assembly on Wednesday.

Don't forget that TUCK SHOP begins again on Monday (Monday Munchies!)
Have a lovely weekend,
Laura Concannon

Help manage what they see and do online

Parental controls and privacy settings can help you manage how your child spends time online and help to keep them safe.

• **Device settings** – manage things like location sharing, screen time and in-app purchases. Most tech

and gaming companies have dedicated pages to support with setting these up.

• **App or game settings** – in-app tools that can help to keep your child's account private and manage who they're talking to. You can normally find information on these in account settings or directly on the platforms website.

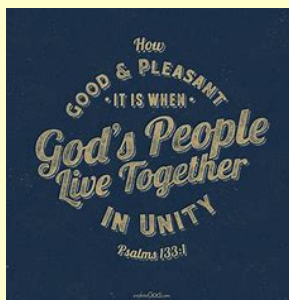

• **Mobile or network provider settings** – help to manage browsing access and stop your child from visiting inappropriate sites or downloading apps that aren't suitable. Contact your mobile or broadband provider for more information about setting this up. Remember it's ok to ask for help!

Remember you don't have to be an online safety expert – that's our job! We're here to help, with resources and advice to help support you and your child.

If your child asks you a question you don't know the answer to, or speaks to you about a negative experience they had online, here are some of things you could do:

- Visit the NSPCC online safety hub: [nspcc.org.uk/online-safety](https://www.nspcc.org.uk/online-safety)
- Call the NSPCC helpline 0800 800 5000 to speak to an advisor
- Ask another parent
- Speak to your child's teacher
- If your child needs more support, they can contact Childline: [childline.org.uk](https://www.childline.org.uk)

Value focus : Unity

Dear God,

As we say farewell to our year 6 leavers we entrust them into your care. We pray for happiness and joy to be ahead of them, for wisdom and guidance to be beside them, and for grace and truth to be behind them, pushing them onwards into your goodness. We know that you will always love and protect them, wherever they go.

Amen.
