Headteacher's Message

Dear Parents,

As the half term comes to an end we are now looking to the exciting events and clubs that will be running in the build up to Christmas. I have attached all the details to the email of the additional club activities that you can book onto. If you have booked for the full 7 week period on a club your child will be included in the additional activities.

Movies and Munchies night on Friday 8th November will include a hot dog, drink and a bag of skittles (selected by the young leaders). Children can bring a bean bag or a cushion to sit on. Please book via Parent Pay.

The Christmas Carnival is on Friday 22nd November starting at 5pm I have detailed the ways in which you can support the event in the email including, bottle bola donations and jar bola donations.

Forest school for KS1 will now take a break until after Christmas, they will still have lots of opportunities for outside learning especially now with the arrival of our new water tables. KS2 children will now have their two week blocks of forest school starting with Carpenters class on Monday 11th November and Monday 18th November. Please ensure your child comes to school dressed for forest school with wellingtons and water-proofs. They will also need a change of clothes incase they get very wet.

Have a lovely weekend,

Mrs. L Concannon

Update:

Please note that the school promotes a one way system through the village at drop off and pick up times. Please drive up Main street to drop off and then leave via Blacksmiths Lane.

Exciting News

Nancy's Cook House

To order lunches please log in to parent pay and follow the instructions attached to this email. Lunches can be ordered with 24hrs notice. The menu is a three week rolling menu for each half term. Please note that dietary information has been sent to Nancy's Cookhouse via the forms that have been collected in today. Please update the school with any changes as soon as possible to ensure that your order meets your child's needs. The tasting session was a huge success children said:

'I loved the garlic bread, in fact I loved it all', 'My son tried everything and ate the whole lot!', 'The homemade chips were great', 'My children ate the chilli whilst telling me they don't eat chilli, they both really enjoyed it'.

Missio

A big thank you to Fr Dan for coming in and leading our Missio assembly. This Advent the school will be supporting the Missio charity and sending home Missio collection boxes. Fr Dan spoke to us about all the things Missio are able to achieve if we can collect pennies! Online advent calendars are also available
