On Monday 3rd February 2025, Chris Atkin came into Shepherd's Class deliver a workshop about the work of CAFOD and the people they help around the world. The children also learnt about the 25 year Anniversary and the 'Pilgrims of Hope' campaign and what it is trying to achieve. The children discussed their hopes for the future and then the hopes they have for other people and how these link to the hopes and dreams of the people CAFOD work with in places such as Pakistan, the Democratic Republic of Congo and Ukraine. They completed a 'Passport' to help them on their journeys to be 'Pilgrims of Hope' and created posters to promote CAFOD's aim of the cancelling of debt which the poorer countries of the world pay to the more developed and richer ones.
