

February 2025

Wow!

Mental Health Awareness Week 3rd - 9th Feb 2025

This term, St. Mary's Catholic Primary School supported 'Place2Be' by raising awareness of Children's Mental Health. The children took part in a range of activities across the week including:

- **Celebration Tree**- each child made a leaf, flower, bird or apple using a range of craft materials. The art work looks fantastic and is on display in our school hall.
- **Dress down day**- Children and staff wore bright coloured clothes for a £1 donation to Place2Be. A total of £48.00 was raised- thank you!
- **Golden time**-The school leaders were involved in gathering pupil voice, the chosen activity was an hour of Golden Time activities. The children had great fun taking part in their chosen activities which included; Forest School, Lego, Colouring, Outside play and board games.
- **Fundraising Fidgets**- Thank you to all the children who purchased a fidget toy (or two!), the sale was a huge success and the head boys and girl took great pride in selling the fidgets and raising money for our school. **The children raised an amazing: £94.00!**
- **Movie and Munchies Night**- The children had a wonderful time watching Inside out 2 and having a hotdog tea with their friends. This is always a popular event that the children look forward to. Thank you to all the staff for running this event for the children of St. Mary's.
