

Wow!

Carpenters Class made fabric softies!

Carpenters Class have been looking closely at cross sections of fruit and vegetables. They have recorded their observations using a variety of media including charcoal, paint and pastel.

The children recapped on how to sew a running stitch, they then embellished their work by adding sequins and beads.

The children showed excellent determination and perseverance skills.

The children will celebrate their art work in the school art gallery.

Wow! Such amazing art work Carpenters class.
