Year 6 Transition Work

St Mary's strives to achieve its mission statement 'St Mary's a place of educational excellence with Christ at its Centre'. Part of achieving this is planning for opportunities for the children to achieve and experience the golden threads that weave through our curriculum approach. We believe that the children become resilient learners and are ready for the next step to secondary school. The children in year 6 will after half term begin to visit their new secondary schools and complete transition days. In school we are busy preparing the children; one approach is a weekly intervention where the children can learn more about their secondary schools. This week the children will receive their work booklets and look at what they are going to do in their summer holidays, they will also explore memories of their primary school years.

After School Clubs next Half term:

Monday: Football and Cooking

Tuesday: Summer Fun

Wednesday: Arts and Crafts

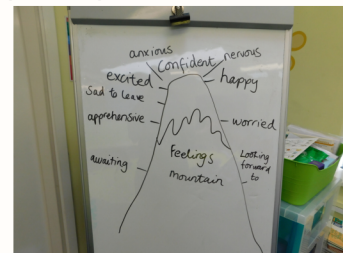

Thursday: Atomic Science

(Rising Stars with run as normal)

I will send an update in half term with further information on the Cooking and Arts and Crafts clubs. We are also hoping to run a fencing after school club in the Autumn!

Lucia's Farm visit

The children all had a wonderful time in the group sessions with Lucia's farm animals. Please do take a look at the gallery attached to the email.
