Summer 2

Headteacher's Message

Dear Parents,

Wow what an amazing week! The children in Carpenters class had a brilliant first forest school session of the term. We have a Cooking club special next week, after school on Monday where the children will be cooking outside for a 'Cook out' forest school session. The children will be making Pizza wraps and a sweet treat. You still have time to sign up on Parent Pay (please note spaces are limited).

The Saints Foundation sessions are great, Carpenters class are working on Respect and team work and Shepherds have been working on Health and Well-being. The games outside have a professional feel to them. Please take a look at the gallery.

The playgroup session was a great success, we will be running these on a half termly basis. The next morning meet will be in September. Next week we have invited the new Reception intake and Pre schoolers for September to come along and join us for an exciting stay and play forest school session. This is the first of two sessions. Mrs Vale will also be visiting Pre- Schools soon.

Pupil profile reviews for the Spring Term have begun please email Mrs Morgan if you haven't yet booked in and made an appointment (only for children on the SEND register).

Have a lovely weekend,

Mrs L Concannon

Dates for your diary...

Wednesday 4th June- Saints Rugby programme start date.

Thursday 5th June- Cricket at Banbury Cricket club for Year 5 and 6.

Monday 16th June- Forest School Year 3 and 4.

Sporting Update

We have many exciting sporting opportunities coming up at St Mary's. Rugby- Saints Rugby Foundation sessions are exciting and engaging. This is a seven week programme.

Bike ability- Years 2,3,4 will receive a letter for Bike ability in September.

Inclusive Sport- Mr Causebrook and Mrs Morgan led the practice for our exciting inclusive sport event on Wednesday. We are looking forward to welcoming schools to St Mary's next week for the main event. We are so fortunate to have amazing resources accessible to all children and can't wait to share them.

Fencing- Rob Parsons a British Fencing Coach will be leading sessions in school in Autumn 1 for pupils in Years 1-6. We will then be offering an After school Fencing Club in the Autumn term to further enhance skills that have been developed in the sessions.

Athlete visit- We are thrilled to announce that St Mary's will be hosting a British Athlete visit in September which will include a whole school sporting challenge.

Aston Villa Foundation- It has been amazing to hear about the impact of the visit to our school and how some children were selected to join the Foundation for try outs. We will once again host a session for children in Years 1-6 in the Autumn term.

Exciting New History Topic Boxes

A big thank you to the 'Friends of St Mary's' to supporting us in the purchase of our new topic boxes: The Romans, Vikings, Anglo Saxons, Mayans, The Great Fire of London, Victorian Toys and more! The School as per our mission statement in striving for educational excellence and constantly seeking ways to enhance our teaching. The school spent £1500 on Science resources and £500 on Art and DT resources at the beginning of the year and we are now reviewing the resources for the humanities subject.
