Headteacher's Message

Dear Parents,

Year 6 have been fantastic this week. Mrs Tetto-Pretti and Mrs McGinley have been working with the Year 6 children on transition to their secondary schools. The children continued this week to complete their booklets on their secondary settings. I also took out the girls and boys in Year 6 to learn about how their bodies will change using the 'Ten:Ten' resources. Next week we will come together again to learn about 'Making Babies'. The children have shown maturity throughout, well done everyone.

Mrs Vale and the Early Years team are looking forward to visiting the new Reception starters in their Pre School settings over the next couple of weeks. Please return the welcome packs as soon as possible. I hope to see many of you this afternoon in our first stay and play session.

St Mary's hosted an inclusive sport event yesterday which was a great success, we have many great quotes about the day; "We can't thank you enough for organising such a fantastic event, the children haven't stopped talking about it!"

'One of our children loved the fencing so much that they are now looking at joining a fencing club'

'One of the children who doesn't normally participate in PE joined in in all the activities today and loved it'

'The children's favourite activity overall was the archery'

'The children are so proud of their medals, some children have never had one so they are showing them off with pride'

'The children loved getting to know the children from your school, it was so lovely watching them play together during break time'

Have a lovely weekend,

Mrs L Concannon

Inclusive Sport Event

A big thank you to Mr Causebrook and Mrs Morgan for organizing and hosting the Inclusive Sport Event on Wednesday. Thank you to Zeno Sport for sponsoring the event and for the Young Leaders in Year 5 and 6 for running the individual activities. We hope Byfield pupils enjoyed the range of activities, I know that Archery and Fencing were particularly popular. St Mary's under Mr Causebrook's leadership achieved The Gold Sports Mark last year. We hope to achieve this again this year. After three years of Gold St Mary's can then apply for the Platinum Schools Mark. This outstanding achievement would truly celebrate how far St Mary's has come on its Sports journey.
