Summer 2

## Headteacher's Message

Dear Parents,

Year 6 have shown great maturity this week as I continued to work through the Ten:Ten lessons in RSHE and as they completed transition activities for their new schools with Mrs McGinley and Mrs Tetto-Pretti. As more children have days in their new schools next week the sessions will pause and restart when the children return.

Next week on Thursday is our school move up morning. Children will move up to their new classes and complete a transition activity which will then be part of a class display ready for September. Class teachers will hold an information session for parents in September where you will have an opportunity to meet your child's class teacher and learn more about your child's new class. Teachers will also discuss any statutory assessments that will take place in the next academic year for your child.

School reports will be sent home on Friday 18<sup>th</sup> July. Teachers are currently compiling assessments and tracking data and are awaiting the results of statutory assessments. If you would to discuss your child's report please book an appointment on either Monday 21<sup>st</sup> July or Tuesday 22<sup>nd</sup> July by emailing the class teacher direct or emailing the school office.

We have a surprise dress down day on Friday to encourage the donations for the Summer BBQ to be brought in. We are looking for donations of filled cups, bottles and any raffle donations you might have. Please ask class teachers if you would like more cups to take home and fill.

Have a lovely weekend,

Mrs L Concannon
