Chair Person's Message

Dear Parents

What a busy and 'hot' term we have had. The children have as always risen to the challenge and been fantastic.

The term has been packed full with educational excitement, trips, events, and opportunities to learn, grown and develop. Sports day is always one of the highlights of the year and although the weather looked like it might not be on our side, the sun did come out and the event went without a hitch! We were particularly thrilled to have 4 of our alumni students back to help and support the day, this really does show the family spirit St Mary's has, thank you to all those involved.

Aston Angels, St Mary's pre-school has been a huge success in it's first year. A big thank you must go to Mrs Vale for all her hard work and we are thrilled to have new families joining us in September.

We are looking forward to seeing you all at the summer BBQ - the MUST NOT MISS event of the year, this coming Friday 18 July, 6pm.

On behalf of the Governing Board may I wish you all a wonderful summer, enjoy the holiday period and we look forward to welcoming the children back in September.

Rebecca Iley

Governing Board:

Rebecca Iley - Chair of governors

Steve Prance - Local authority governor and deputy chair

Tess Smith - Foundation governor

Nadine Hassam - Foundation Governor

Debbie Brimson - Staff governor

Paula Atkins - Parent governor

Summer 2

New Staff

Mrs Katherine Hooper will be joining us in September as our new Teaching Assistant

We now have a full governing board, thank you for all the hard work that goes into this. The board has a fantastic skill set between them and are able to support Mrs Concannon and the team to provide an outstanding education for your children.

Aston Angel's Pre-School

Aston Angel's has had a fantastic first year. We have been thrilled with how this has slotted into Reception and provided a pipeline of school ready children. We have new families waiting to join us in September but do please mention us to friends and family who might be interested in a place.

The team run several stay and play sessions throughout the year for new families to come and try the pre-school. Look out for upcoming dates.

Governor updates...

Toilets - the Resources committee has been working on ensuring the schools facilities are safe and up to date. The upper school toilets have just about come to the end of their 25 year life and are due an overhaul. The work will take place during the summer holidays and we look forward to welcoming the children back with sparkly new facilities.

Forest School - Mrs Clipson has been working very hard in Forest School and providing the children with some fantastic enrichment opportunities. We are looking at how we can enhance this facility and continue to grow and develop it.

Parent Survey - thank you to those parents who completed the parent survey, this provided us with valuable data and information. One area that was flagged was parents knowledge of PSHE education. Mrs Concannon has subsequently sent out further information on this but please don't hesitate to speak with your class teacher should you require further information.

Parent Pay - could you please ensure all outstanding payments are cleared on parent pay before you go away for your holidays. This will enable Mrs King to start the new year with a zero balance. Thank you

Thank you

The Governors would like to say a very public thank you to all the staff at St Mary's - You are all AMAZING!!

Everyone works tirelessly and goes above and beyond to ensure the children receive the best possible education and experiences. Staff get stuck in from decorating classrooms and gardening in the school holidays, extra curricular events such as movies and munchies nights, school discos, fund raising to name but a few things.

A special thank you to Mrs Concannon who leads and supports the school to excellence for which we are very grateful.
