Book on ParentPay

Dear Parents,

## Headteacher's Message

We are starting to think about our Christmas fundraiser, the Aston le Walls Christmas Craft Fair on Saturday 29<sup>th</sup> November. The school are collecting, filled cups, bottles and raffle prizes. The Caritas bags will go home next week, one per family. We really appreciate the support with these collections it makes such a difference to our local community and for us as a school it makes all the curriculum enrichment possible.

The children in Years 3-6 completed first aid training on Monday. They all learnt how to save lives including how to perform CPR. This is an example of the curriculum enrichment we are able to provide our pupils at St Marys with your support.

The KS2 Forest school sessions have begun, please ensure your child has a full set of water proofs for these sessions and suitable footwear for work in the forest school area.

The whole school Belgrade Theatre trip is fast approaching. The school always has a wonderful day at the theatre every Christmas and it is made even more special with the addition of our pre schoolers to our Christmas Wow! Please give permission and payment on Parent Pay, thank you once again to the Friends of St Mary's for making this trip more affordable for all.

Children will be bringing home the Parents Evening letter this week. Please hand it in as soon as possible as the slots book up quickly. All parents will also have an opportunity to look at your children's books before or after your appointment.

Kind regards,

Mrs L Concannon

[Mathletics- Launch](#)

## Mrs Iley- Chair of Governors Message.

Thank you for welcoming me into school today for the RE Section 48 inspection.

It was a privilege to spend the day observing the children at work and play. Their kindness and love towards one another were truly inspiring—a beautiful reflection of God's love. They represented the school as true ambassadors, demonstrating enthusiasm, confidence, and impeccable manners throughout the day. Please pass on my thanks to the staff and pupils for making the experience so enjoyable and memorable.

## First Aid Training in KS2

Mini First Aid was founded in January 2014 by mum of six, Kate Ball, with a mission to deliver high-quality baby and child first aid classes to parents and carers. Since then, the business has grown rapidly and now trains over 2,000 people every week across the UK in basic and life-saving first aid.

The multi award-winning classes are designed to be relaxed, accessible, and confidence-boosting - giving you the knowledge and skills to act in a medical emergency. They offer sessions for the whole family, including parents, grandparents, carers, and even children as young as three.

In 2021, Kate and her husband Matt appeared on Dragons' Den and secured investment from Sara Davies MBE. Since then, Mini First Aid has continued to expand, including the development of their own range of brilliant first aid products, now stocked in major retailers.

Mini First Aid classes are CPD-accredited, and are proud members of the First Aid Industry Body. They also provide a comprehensive range of certified first aid courses for those needing formal qualifications. As the UK's leading provider of paediatric first aid, they are passionate about empowering families and professionals alike with essential first aid skills.

This was a fantastic workshop and so important for children to have this life saving knowledge. As a school it is our hope that the new curriculum review will secure this training in all schools in the future.
