Book on ParentPay

### Headteacher's Message

Dear Parents,

Happy New Year! A very warm welcome to all our new families. We have four new children starting in pre school this week and a new starter in Shepherds class. Please send an email to the office if you would like to be added to the parents Whatsapp group. With more snow forecast I wanted to update you on how and when you will be informed of any closures. Should the site be unsafe or if staff are unable to safely drive into work then you will be sent an email by 7am, I will also up date the school Facebook page. All pupil absences should be reported before the start of school using the absence form on the school website. Medical appointments should be evidenced with a copy/screen shot of the sent letter.

We have an exciting variety of after school clubs on offer and its not too late to sign up on Parent Pay. Swimming for children in KS2 begins next week, please ensure that if your child is attending they have everything they need including a swim hat, ear plugs and goggles if necessary. Swim vests are permitted. The first session will involve the swim teachers assessing the children's ability and grouping them accordingly. Then moving forward the children will be taught in set groups for a one hour swim session once a week. Children remaining in school will have a PE session.

Teachers curriculum letters for the Spring term are attached to this email and paper copies will be sent home with children this week. We hope you enjoy reviewing what the children will be learning. Please support at home with homework and reading.

Kind regards,

Mrs L Concannon
