## Headteacher's Message

Dear Parents,

We are excited to welcome our new Reception starters and children that will be new to our pre school in September. Welcome packs including details of the stay and play sessions will be sent out next week. If you are already part of our pre school you will still receive a pack and your children will naturally take part in any sessions offered.

I have confirmed dates for the Summer events including leavers celebrations and Sports Day which I will share with you next week. I will also update you on the after school clubs for Summer 2. Book promptly to miss disappointment.

A huge well done to our Year 6 children on the completion of the SATS this week. We are all very proud of your efforts and approach to the assessments. We are looking forward to celebrating properly next week during our ROCK Session! The Year 5 had a brilliant week preparing for a debate on different topics including 'School Uniform', the children worked each morning with Mrs Clipson. I am looking forward to hearing your speeches next week in Mondays assembly. I will also be giving out birthday pencils as I know we have a number of excited children who missed it this week.

The positive Mental Health and Well Being of our children in school continues to be a top priority, Section 48 stated that the Pastoral Support in school is 'Outstanding'. This week highlighted our commitment to this, thank you Mrs Morgan for the range of activities the children accessed and of course for the ever popular 3D printed animal sale. I will share more about the week in a Wow report soon.

Have a lovely weekend,

Mrs L Concannon

## Value Focus: Courage

Pentecost Celebration Day

On Friday 22<sup>nd</sup> May is our Pentecost Celebration Day. The children in Year 3 and 4 will lead the service in school at 10:30am followed by a session of windmill making in house groups. Pentecost is a special celebration in the Christian faith that happens 50 days after Easter. It marks the day when the Holy Spirit came down to the disciples of Jesus, which is often called the birthday of the church. On this day, Christians remember how the Holy Spirit helped the disciples speak in different languages and spread the message of Jesus. The word "Pentecost" means "fiftieth" in Greek,

## Sport BGN update

Year 3, 4, 5 and 6 Quad kids will be next on Monday 18<sup>th</sup> May. Cricket for Year 5 and 6 at Banbury Cricket ground will follow in Summer 2. We have also secured Padel Boarding for a small number of children: Padel (often called padel tennis) is a fast-growing, social racquet sport combining tennis and squash, played in doubles on a small, enclosed court with glass and mesh walls. It emphasizes strategy, accuracy, and fun over raw power, making it accessible for all ages.

## Well Done Year 6

The SATS are over for another year! Well done Year 6. We now have many events to look forward to in the Summer term. I am now beginning to put together the leavers presentation, please can you send a picture of your Year 6 child's first day of school and a baby photo for me to include.
