Headteacher's Message

Dear Parents,

Thank you to all the new starters that were able to join us for the first transition session. All had a great time getting to know each other. The Early Years team has already been out to visit children in pre school.

The Year 3 and 4 children are making great progress in Ukulele and are now building up to a performance on Monday 29th June at 2:30pm for families and friends. On the theme of music, it was great to see so many new faces in our rock bands. We will once again host a performance before the end of term and offer refreshments as these seemed very popular.

The Summer BBQ is quickly approaching, a number of parents have confirmed that they are available to help. I will be working out a plan soon and sending out jobs for that evening to the volunteers. The 'Friends of St Marys' would always welcome more help! Please email me if you are available.

Final payments for the residential are due soon. Mrs Clipson and Mr Causebrook are now reviewing room arrangements and activities. We also find that it is best to let the children know the room arrangements when we arrive at the centre. I have created a page on our school website so that the team can update you daily on the activities and of course all the fun!

All the school's GDPR documentation has been updated. This is done annually and all information on Data Protection can be found on the school website- About us- Policies and GDPR.

Have a lovely weekend,

hello

Sport BGN update

Wednesday 24th June. Padel event (often called padel tennis) is a fast-growing, social racquet sport combining tennis and squash, played in doubles on a small, enclosed court with glass and mesh walls. It emphasizes strategy, accuracy, and fun over raw power, making it accessible for all ages. We are now waiting for the date for the final for the mixed YR5/6 cricket event.

Confirmation

The children in KS2 that have been preparing for Confirmation with Mrs Smith will be Confirmed on Saturday. We are very excited for you all! Please pray for our candidates.

Cricket

Congratulations to the Year 5 and 6 children for your efforts in the BGN cricket Tournament last week. Yr5/6 girls team came joint first but had less runs than the other team so came second in the end. Great team work girls, great effort. The Year 5/6 Mixed came first and have made it through to the county final! Details to follow soon.

Transition Morning

The children had a wonderful morning in school. This was the first of two transition mornings for the new starters. The second is a whole school move up morning. Tea and coffee will be available in the school hall and school uniform samples for new reception starters, there will also be a discounted uniform sale at the Summer BBQ. For the rest of the school the children will move up into their new class for a morning of team building and settling in activities. Each class will complete a task which will then contribute to a new class display for September. Class arrangements for next year will be shared before the move up morning.
