Chair Person's Message

Dear Parents

The summer term seems always to one of the busiest and this year has been no exception. The children and staff have been incredible busy across all areas of the school, from trips, SATS, confirmations and much more. Thank you to all those involved in helping to make the term a great one.

My thanks also go to the Governors for all their hard work during the academic year. as volunteers we are very grateful for their time, care and commitment to St Mary's.

The school will be entering back into its OFSTED window in the new academic year, so lots of work and focus will be put in to ensure this is successful and St Mary's showcases the wonderful school it is. Governors will undertake training along with the teaching team. We will keep parents up to date with the new OFSTED framework and its requirements and ensure all staff are well supported throughout the process.

A very big welcome to all our new families joining us this term, it has been a pleasure to welcome you to the school and fantastic to see the children all settling in so well. The St Mary's family is a very special group to be a part of and we know your children will thrive, develop and be happy with us.

In behalf of the Governing board may I wish you a restful and happy summer holiday.

Rebecca Iley

Summer 2

Social

Thank you to everyone who supported and attended the annual summer BBQ. It was fantastic to see so many of you and to welcome our new families. The BBQ is just one of the many events hosted by the staff and governors throughout the year. All money raised goes straight back into the school and directly benefits all the children by subsidising school trips and events.

We are very keen to reestablish the Friends of St Mary's and for a parent body to take over from the staff. If you are interested we would love to hear from you. Please speak with either myself or Laura directly.

Update:

Staffing: this term we have been recruiting for some new posts and are extremely please to welcome Mrs Muncila as a part time teacher. However it is with sadness that we say goodbye to Mrs Vale who is leaving us this term. Mrs Vale has been instrumental in setting up our preschool for which we are very grateful. She will be greatly missed and we wish her the very best for the future.

Buildings and Maintenance: The school roof project is underway with plans in place for the replacement and repair. This is a large project and may still have an impact in September please bear with us during the works.

Catholic life : Congratulations to all the children who made their confirmation this term. This is such a special occasion for them and we were thrilled to be able to support them in the next steps in their spiritual journey.

Standards and Achievements: well done to all those children sitting end of year assessments. Mrs Concannon and the team are pleased with the progress all children are making. For those children joining us part way through the year the teaching team have been working hard to ensure they are integrating well and meeting curriculum guidelines. Please look out for the parent information evening in September, which will provide parents with key information for how to support your child's learning.

St Mary's Alumni

St Mary's is one of the oldest schools in the diocese of Northampton being over 100 years old. We are very keen to establish an alumni group to help support the school and ensure it has a very bright future.

Alumni can be past pupils, parents and staff. in the first instance we would love to hear from you and hope to hold some social events in the coming year.

Please pass this on to anyone you think may be interested and keep an eye out for further information.
